

DECLARATION OF JOSEPH BURGESS

I, Joseph Burgess, declare as follows:

1. I am an Investigator with the Wage Hour Division, United States Department of Labor, in the field office located at 196 E. Tabernacle Street, Rm. 18, St. George, UT, 84770. I have been an investigator since 08/30/2009.

2. In March 2016, we received information concerning young children running heavy equipment at a job site at a hotel in Springdale, UT. I traveled to Springdale on March 22, 2016, to investigate the allegations.

3. I observed a construction site at a Springhill Suites hotel. I spoke with the manager of a Holiday Inn located adjacent to the worksite. He gave me access to a wing of the hotel where I could get a better vantage point of the activity next door. The manager stated that he raised concerns with the superintendent at the construction site about youth working on the premises.

4. I walked over to the construction site and visited with Rick Szurgot who introduced himself as the superintendent for the prime contractor, Bonneville Builders. Mr. Szurgot agreed to produce a list of the subcontractors on the job. The list he gave me is attached hereto as Exhibit 1. By the time I got to the job site the only work I observed was individuals carrying tool belts and using hammers. I did not making any findings with respect to FLSA violations.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge and belief.

Executed this 07 day of September 2017.
